2023-2024

SINCE 2000

**PARAGON PLASTIC** is an Israeli company, producing, marketing and designing plastic products.

Paragon, a family business till this day, was established in 2000.

The company produces a variety of plastic products for home use that are marketed throught the world-storage products, household goods, boxes, kid's products, gardening products and much more.

Paragon Plastic LTD produces plastic products using the most advanced and innovative technology, developing and designing them with a special emphasis on the needs of the global market.

At Paragon we make sure to provide our costumer with the finest product - innovative in its design and mesmerizing in its colors, suited for our modern times.

The company keeps producing, developing and increasing its activity with each year on a global scale.

### TEAM WORK

We at Paragon Plastic work in a unified teamwork while maintaining values and sharing diverse opinions

### INSPIRATION

Paragon Plastic works around the clock to create and design products inspired by diverse fields while maintaining the accessible and practical design feature for everyday storage and use

### QUALITY FIRST

All plastic products manufactured by Paragon undergo a thorough inspection with a personal touch in order to provide all our customers with the best and highest quality.
